The following is an examiner's statement of reasons for allowance:

The prior art of record neither teaches nor suggests the limitation that the information about the computer-based system, which is used to assess the probability of a problem, is received by subscribing to the information in a publisher/subscriber-based system. As this limitation has been added to all pending independent claims via amendment, all pending claims are considered to be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
